

Motion on Quebec Medical Association Membership and McGill Medical Students' Pledge to the Future of Medical Professionalism

Submitted to the General Assembly, December 5th, 2017.

Whereas, the Quebec Medical Association's (QMA) Student Committee has established and continues to develop a program of educating medical students in medical politics, advocacy, and medical leadership;

Whereas, the QMA's Student Committee has supported students' initiatives, student leadership, and student representation at a local, provincial, and federal level;

Whereas, medical students in Quebec currently benefit from fully subsidized ("free") membership to the QMA, which also gives them access to a host of services, which include member discounts, insurance, exclusive financial services, clinical tools and professional resources, etc. (Appendix I);

Whereas, the QMA will be reinstating registration fees for students as of next year, which are anticipated to be of \$25 per student annually;

Whereas, McGill Medical Students are in accordance with the principles of medical professionalism, the improvement of the healthcare system, and the well-being of the population, which the QMA exists to defend;

Be it resolved, that all McGill Medical Students will automatically become members of the QMA.

Be it further resolved, that all McGill Medical Students will pledge \$20 per year to the QMA, paid through their annual student fees, to be exempt from the anticipated QMA registration rate.

Be it further resolved, that the McGill Medical Students' Society (MSS) will facilitate new McGill Medical Students' registration to the QMA every year.

Be it further resolved, that the QMA's Student Committee will continue to develop projects and training for medical students, and will be more equipped to support students and their representatives.
